EXPERIENCE

FRONTIER STRATEGY GROUP **Washington, DC**
Summer Intern *May 2009 – Aug. 2009*

- Developed proprietary macroeconomic index utilizing data from over 100 companies active in 28 countries. Co-authored summary report that was featured in the *Wall Street Journal* online.
- Created security survey for emerging market business managers in response to client need for measurement of political risk in Pakistan.
- Assisted in quantitative analysis for firm's research publications on topics such as the Brazilian stimulus package, and Chinese telecom and search engine markets.

BCP SECURITIES **Greenwich, CT**
Origination Associate *Sept. 2006 – Nov. 2007*

- Conducted extensive macroeconomic and local market research in emerging market nations and identified potential new client targets for Short Term Note program. Conducted exploratory research and established local contacts in Moscow, Singapore, Jakarta, San Jose, Guatemala City and Buenos Aires.
- Worked with a team to develop and apply a proprietary credit rating system for Latin American and Russian Banks that was subsequently included in firm's research publications.
- Provided analytical and due diligence support on multiple Short Term Note placements (Industrias Unidas - \$1 billion, Probusinessbank - \$500 million, Banco BMG - \$300 million, et al).

Research Assistant *July 2005 – Sept. 2006*

- Performed valuation analyses involving various emerging market fixed income securities including Argentina GDP warrants and the Dominican Republic sovereign debt exchange. Researched and authored weekly news summaries on Latin American and Russian Corporations.

OPPORTUNITY INTERNATIONAL **Boston, MA**
Fundraiser / Advocate *1997 - present*

- Helped raise \$250,000 for trust fund dedicated to the annual establishment of micro-lending banks in Latin America and Africa. Participated on "insight trips" to Lima, Soweto and Guadalajara. Met with borrowers at over 20 individual banks.

RBS GREENWICH CAPITAL **Greenwich, CT**
Summer Analyst *June 2004 – Aug. 2004*

- Researched financial news and data for creation of PowerPoint presentations to investor clients.
-
