

The FedEx Distinguished Speaker Series

BUSINESS & PUBLIC POLICY IN A GLOBAL ECONOMY

WITH JIM BARKSDALE

Jim Barksdale is Chairman of the Board and President of Barksdale Management Corporation, a philanthropic investment company. He has over 35 years of operational experience. Jim served as President & CEO of Netscape Communications Corp. from January 1995 until the company merged with America Online in March of 1999. He was Director of Netscape from October 1994. Upon completion of the merger with America Online, Jim joined Time Warner's Board of Directors. Prior to Netscape, Jim worked at AT&T Wireless Services (formerly McCaw Cellular Communications) as their Chief Executive Officer. From January 1992 to September 1994, he served as Chief Operating Officer of McCaw Cellular. From April 1983 to January 1992, Jim served as the Executive Vice President and Chief Operating Officer for Federal Express Corporation and prior to that, he served as their Chief Information Officer for four years. Jim Barksdale also held various management positions, including Chief Information Officer with Cook Industries and started his career at IBM.

Business Attire

FedEx is a proud sponsor of the Center for Business and Public Policy, a non-partisan research center housed at Georgetown University's McDonough School of Business. The Center was created in 2001 to foster dialog and debate on a range of business and policy issues, including those affecting regulatory frameworks and international business.
